A. B. Schneithorst, *Proprietor*

The Bevo Mill was erected in 1916 by the late August A. Busch who with his architect spent a year in Holland gathering architectural Flemish modes and designs from which this Restaurant of national reputation was created. The two tile OLD WORLD scenes just inside entrance are a work of art and the gnomes supporting the arches were purchased at the Paris Exposition.

It's a tradition to eat at Bevo Mill
